Many of the businesses downtown brought in food and wine vendors and were open late for business.

UNGER LIBRARY REPORT – OCTOBER 2023 DATA

LIBRARY HOURS

MTWF: 9:00 AM-6:00 PM | TH: 9:00 AM-8:00 PM | SAT: 9:00 AM – 5:00 PM

The Library's visitors average 76 people per day. The lowest number visiting was twenty-five on October 21 (a Saturday) and the highest number was 130 on October 6 (Friday before Columbus Day/Indigenous People's Day).

The Library has been down one staff member due to surgery recovery, which has impacted the scheduling on the part of the rest of the staff. We have tried to make sure that all hours are staff by at least two people at the same time, and so far we are coping.

Story Time continues under the direction of Jaynell Davidson and we are averaging about 25 people per session. Children in attendance average out to about 18. We have planned Story Time through December 13th and will follow the theme of Holidays Around the World.

The Library was contacted by Judy Yost of Library Interiors of Texas (from who we buy our shelving), and was informed that the Texas Tech Health Science Center was renovating and was getting rid of all of their tall shelving, and would we like to them? So we are now going to be able to replace all the rest of our shelving plus. The only thing we couldn't find there was some single-sided shelving, which we will still need to purchase, but the cost will be much less. We hope to pick up the shelving before Thanksgiving, with the help of Phil Weems and his crew.

We continue to work with the weeding and classification and have nearly completed the weeding part. The reclassification may well take us another year to complete, mainly due to the actual relabeling as well as the changing of the individual call numbers.

We have already booked several performers for the 2024 Summer Reading Program, which will include a magic show at the Fair Theatre as well as Andy Mason. Andy is also going to be here on December 12, 2023 at 6:00 PM at the Fair Theatre and will present "A Brief History of Christmas Music" which will include a sing-along and is intended for all ages (and lyric sheets will be provided).

The Library had representatives at the Wayland job fair on October 5, 2023.
