

Large Landscape Water Variance

The Following is to be completed by the owner or representative.
Please email to nweems@plainviewtx.org or deliver to the address above.

Watering variance for large properties, that would otherwise be impossible to water during a single day, (i.e. college campuses, schools, cemeteries, parks) may request alternate and additional days to water the property. The request must be in writing detailing the watering areas along with details of alternate days, and cannot exceed twice per week watering for each watering area.
